IN HONOR OF JOSE ROSARIO:
FOUNDER OF FOCUS AND A
LEADER IN THE HISPANIC COM-
MUNITY

HON. ROBERT MENENDEZ

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 9, 1997

Mr. MENENDEZ. Mr. Speaker, I rise today to pay tribute to an outstanding gentleman, Jose Rosario, who served as the founding father of FOCUS and contributor for the endowment of the Hispanic American community. On October 10, 1997, the Puerto Rican Congress Inc. will posthumously honor Mr. Rosario with a special reception at the Hilton in Secaucus, NJ.

Mr. Rosario, born in Moca, PR, passed away on August 29, 1997, in Carolina, PR. He was a hardworking accountant and a licensed real estate agent. Before moving to New Jersey 40 years ago with his wife Phyllis, he worked for the commonwealth of Puerto Rico. It is through his roots and heritage that he left a legacy of determination for improving human services in the Hispanic-American community.

Mr. Rosario, El Viejo as he was known to his friends, founded FOCUS, the Newark based social services agency, in 1967. Its mission was to provide education, job training, and other services for underprivileged Hispanics from the Newark area. Today, known as the Focus Hispanic Center for Community Development, the agency, led by Casto Maldonado, executive director, and Frank Morales, chairman of the FOCUS board of trustees, serves more than 9,000 clients every year through grants and donations to fund an annual budget of over \$1 million.

Mr. Rosario also established the New Jersey Office of Hispanic Affairs which set up the first bilingual education program in New Jersey schools and successfully pushed for passage of a law requiring Spanish interpreters in

the courts. Mr. Rosario pressed for the State high school equivalency examination to be given in Spanish, helped establish the New Jersey Puerto Rican Statewide Parade Committee, and in 1977 was awarded a seton hall honorary degree in humanities or improving the way of life for Hispanics in New Jersey.

I thank the Puerto Rican Congress for this tribute and it is an honor and a pleasure to recognize the accomplishments of this celebrated man. He is deeply respected for his tenacity in seeking the advancement of all Hispanic-Americans. I am certain that my colleagues will join me in paying tribute to this remarkable gentleman.

TRIBUTE TO HENRY B. GONZALEZ

SPEECH OF

HON. RALPH M. HALL

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 7, 1997

Mr. HALL of Texas. Mr. Speaker, it is an honor for me to pay tribute today to a longtime friend and dean of the Texas delegation, the Honorable HENRY B. GONZALEZ, who has announced that he will resign from Congress this year after 36 years of outstanding service.

For most of his life, HENRY GONZALEZ has been a dedicated public servant, both in Congress and previously in local and State government in Texas. As chairman and ranking minority member on the Committee on Banking and Financial Services in the House of Representatives, he has made his imprint on our Nation's banking, financial, and housing laws. As Representative of the 20th Congressional district of Texas, he has been a formidable advocate for policies and programs affecting his constituents. And as dean of the Texas delegation, he has been a respected and influential colleague.

I knew HENRY GONZALEZ when he first served in the Texas State Senate. Previously, he had been a member and mayor pro-tem of the San Antonio City Council, deputy director of the San Antonio Housing Authority and probation officer for Texas County. He worked as a civilian cable and radio censor during World War II and operated a Spanish/English translating business with his father. He also taught math to veterans and citizenship classes to resident aliens. HENRY was born and raised and educated in San Antonio schools, with the exception of studying civil engineering for 3 years at the University of Texas at Austin before graduating from St. Mary's University school of law. His life has been one of giving to those who needed him.

In all that he has done in public service, HENRY GONZALEZ has been an outstanding Representative for his constituents in Texas, the Hispanic community, and our Nation. During Hispanic Heritage Month, I can think of no one more deserving of our respect and our gratitude for 36 years of dedicated service in the House of Representatives than my good friend and colleague, HENRY B. GONZALEZ. As we adjourn today, I ask that my colleagues join me in bidding him a fond farewell and in wishing him God speed in his retirement.

AMERICAN LAND SOVEREIGNTY PROTECTION ACT

SPEECH OF

HON. BOB RILEY

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 7, 1997

The House in Committee of the Whole House on the State of the Union had under consideration the bill (H.R. 901) to preserve the sovereignty of the United States over public lands and acquired lands owned by the United States, and to preserve State sovereignty and private property rights in non-Federal lands surrounding those public lands and acquired lands:

Mr. RILEY. Mr. Chairman, I rise today in strong support of H.R. 901, The American Land Sovereignty Act. No longer can we sit back and let the United Nations dictate US domestic policy or infringe on our national sovereignty.

This is not a new argument. How many times do we have to hear about the abuses of the United Nations. In Alabama we hear that the United Nations is mired in one boondoggle after another, how we owe them \$1 billion, or how our troops are going to be forced to miss Christmas because some foreign dignitary believes it is reassuring to have our military guarding his personal possessions. Now we learn that the UN has declared certain pieces of United States soil to possess international status, independent of US sovereignty.

This is becoming unacceptable and borders on ridiculous. How much of this are we going to stomach before we tell the UN that it does not control the United States. The People govern the United States, and, as Representatives, we here in Congress are given the honor of governing this nation on behalf of our constituents. We need to unequivocally inform the UN that this is our country, not theirs. We need to tell the UN that we are going to hold it under close scrutiny and question all its actions.

Today, the House of Representatives passed H.R. 901. This important piece of legislation is a first step into curtailing the greedy clutches of the United Nations. It requires the Administration to seek Congressional approval before it can nominate any US land for inclusion on the World Heritage List. In addition, H.R. 901 stipulates that all lands that are to be included as a Biosphere Reserve must also be brought before Congress.

This bill sends a clear message to the UN and President Clinton that we are not going to allow any organization to disregard American Sovereignty. If the UN wants to make decrees that affect the United States, it must learn that it has to go through proper channels and ask permission.

The citizens of the United States, not the UN, will determine their own lives and their own futures.
